I/We hereby declare and agree that:

1. I/we certify that I/we have participated sufficiently in the intellectual content, conception and design, analysis and interpretation of the data, as well as the writing of the manuscript, also to take public responsibility for it and have agreed to have my/our name listed as a contributor.
2. The material being presented by me/us in the paper is my/our original work, and it was neither published in any other journal nor is under consideration for publication by any other journal.
3. The article does not contain material taken from other copyrighted sources. Wherever such material has been included, it has been clearly identified by quotation marks and proper acknowledgements are given by citing the source at appropriate places.
4. The article does not contravene any existing copyright or any other third party rights.
5. **User rights:** The MSRI Journal will apply the [Creative Commons Attribution-4.0 International License \(CC BY\)](https://creativecommons.org/licenses/by/4.0/) to the article as it is an open access journal. The CC-BY license allows users to copy, create extracts, reuse, and to make no commercial use of the article.

6. **Authorship:** I have substantially participated in the generation of the work and that it represents my/our original work adequate for me to claim the authorship.
7. All authors have read and approved the manuscript as submitted and are prepared to take public responsibility for the work
8. I warrant and represent that the work does not violate any proprietary or personal rights of others (including, without limitation, any copyrights or privacy rights); that the Work is factually accurate and contains no matter libellous or otherwise unlawful.

Section – I

Consent to Publish: Please tick any ONE box for the statement which is applicable.

I/we certify that I/we have obtained written informed consent from the patient(s)/subject(s), for publication of this manuscript, accompanying images and other data. If necessary, a copy of the signed consent form should be attached.

I/we certify that I/we have not obtained written informed consent from the patient(s)/subject(s), for publication of this Manuscript, accompanying images and other data not applicable to this Manuscript If written, informed consent was not obtained, **please state the reason for not obtaining the consent.**

Section – II

Conflict of Interest: Please tick any ONE box for the statement which is applicable.

I/we certify that there are no financial and non-financial competing interests regarding the publication of this article.

I/we declare a conflict of interest. **Please state below any financial or non-financial conflict of interest:**
